

# PDW: Advances in Patent Research New Data, Measures, and Methods

**Hybrid Interactive Session: 9:00 - 11:30 am (Seattle time UTC-7) on Sunday, 7<sup>th</sup> August 2022**

**Location: SCC Skagit 2 or virtually at <https://2022.aom.org/meetings/virtual/ezZc2PCavMhEBgEDN>**

Find out about recent advances in patent data for management research.

This year's focus:

- **Biases in the patent system**
- **New advances in matching patent data with other data sources**

The PDW will be highly interactive with plenty of room for Q&As.

Speakers:

- **Ashish Arora** Duke University
- **Deepak Hegde** New York University
- **Karin Hoisl** University of Mannheim
- **Maxim Sytch** University of Michigan
- **Yong Kim** Texas A&M University

and our discussant:

**Stuart Graham** Georgia Tech

*If there is something you always wanted to know about patents (but are afraid to ask publicly): send us your questions via <https://forms.gle/8KvWq3HPC9jdpMjq9>.*
