The International Management Division will offer a virtual **Doctoral Student Consortium** during this year's virtual Academy of Management Meeting on **Saturday, August 8, 2020 (specific time details will be updated as the virtual meeting program is developed)**.

The Doctoral Student Consortium is designed for current PhD students with an interest in international management as either the primary or secondary field of inquiry. We welcome participants from all stages of the PhD program to attend, regardless of whether you have recently joined or are at an advanced stage of your doctoral program.

The consortium will offer both structured and informal discussion between participants and faculty panelists on research, job opportunities, and early stage career strategies. A substantial amount of time will also be set-aside for dissertation development, featuring one-on-one feedback from faculty in small groups. This is both an excellent opportunity to get valuable feedback on your work, as well as a chance to network with fellow doctoral students and leading scholars in the International Management field.

Immediately following the consortium, participants will be invited to a tentative virtual **"Meet the Editors" session**. This session will provide an opportunity to hear directly from Editors at some of the leading journals in the field of International Management. This session will be held jointly with the IM Division Junior Faculty Consortium.

To apply, please submit your application materials to Chengguang Li at chli@ivey.ca

The deadline for applications is June 15, 2020.

Your application should include the following:

- 1) 1-page nomination letter from your advisor/chair
- 2) A description of your dissertation idea, including your research question, relevant literature, research design, and methods (maximum 2 pages), and
- 3) Curriculum Vitae, including relevant contact information (maximum 2 pages).

If you have any questions about the consortium or the application, please contact sfainshm@fiu.edu or chli@ivey.ca.

Please note: Those who have completed their dissertations and are getting ready to start faculty positions in 2020 should apply to the IM Division's virtual Junior Faculty Consortium instead.
